Rotorcraft Spinning News

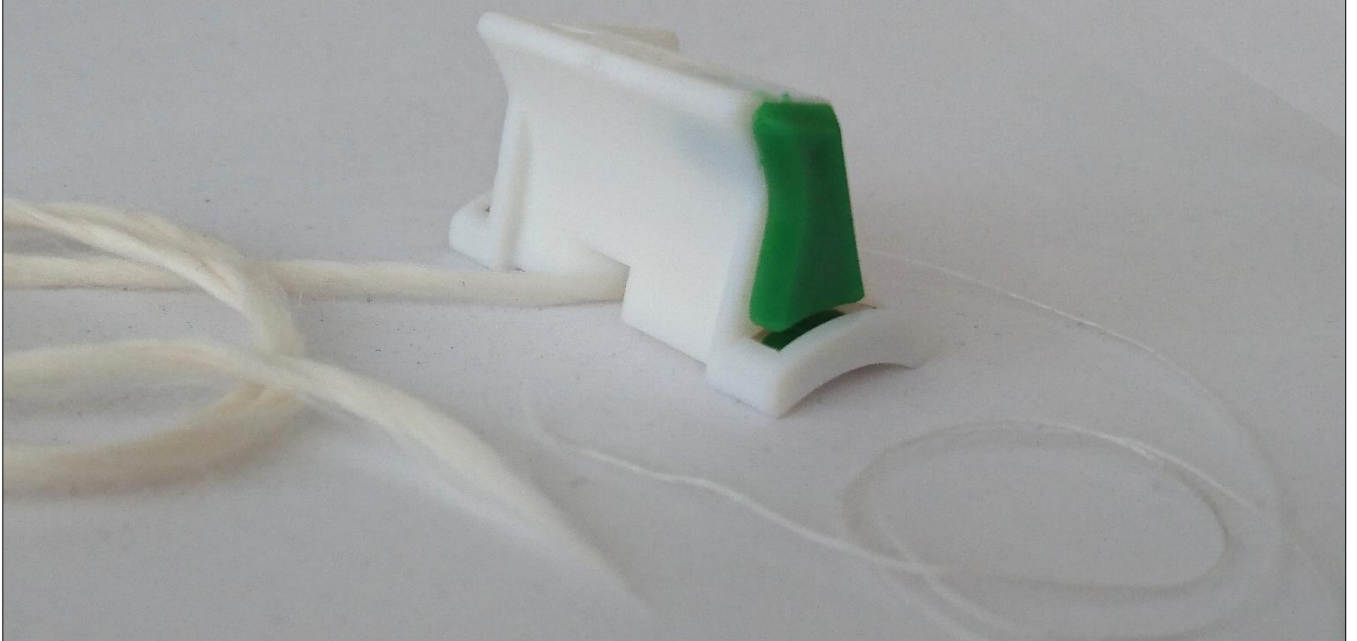

No. 17-3  
GreenCompact

Issue  
September 2017

## GreenCompact

Compactors short- and long staple

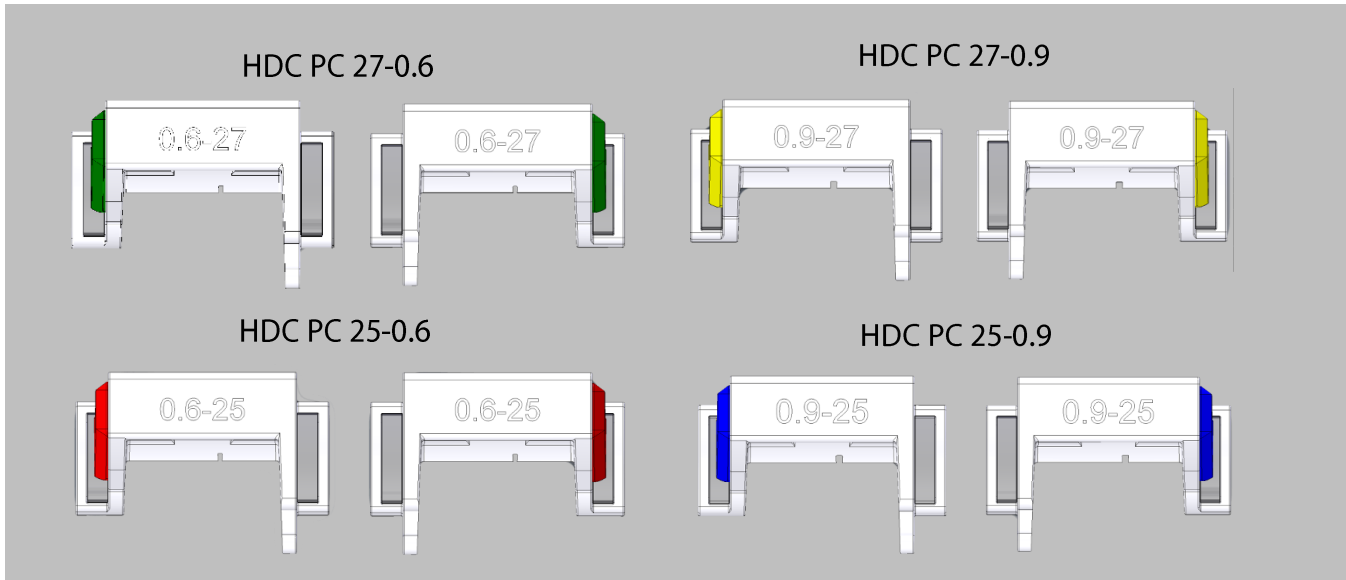

The first physically  
optimized instrument for  
mechanical compacting

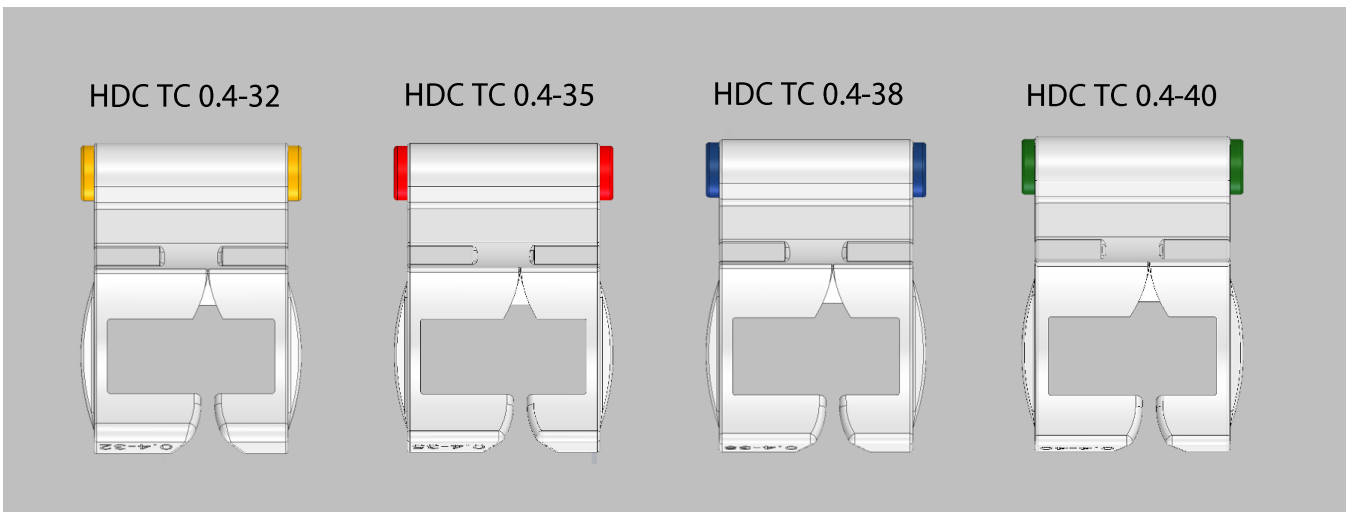

**Compactors are the «heart» of mechanical compacting. We found a mathematical formula which allows us to calculate shape and dimensions of the ideal mechanical compactor called «Prime Compactor»**

Please contact Rotorcraft sales staff to organize individual spinning trials for you.

## PC Prime Compactors for short staple spinning

## TC Twin Compactors for long staple spinning
